

Participants will leave with a completed project to enjoy as well as to show off to their friends, family and neighbors. Workshops are priced on the web site. Please refer to it for correct pricing.

Please note the photos are similar to the final project. In order to have photos ready well in advance of class there may be some differences. In many cases photo is from a previous year and the exact container may no longer be available.

Many workshops fill up quickly, so be sure to reserve your space early. Pre-registration and prepayment are required. Refunds will be given up to 24 hours before workshop time, after that we will gladly save your materials for a week for you to come in and get.
